U.S. AMBASSADOR TO ISRAEL DAN SHAPIRO MAKES SPECIAL VISIT TO YEMIN ORDE YOUTH VILLAGE

Ambassador Shapiro planted an olive tree at the Village in celebration of the Jewish holiday of Tu B’shvat and dedicated a new plaque honoring the friendship between Israel and the United States

FOR IMMEDIATE RELEASE

Washington, D.C: U.S. Ambassador to Israel Dan Shapiro visited Yemin Orde Youth Village on Tuesday, Feb. 7, 2012, in Mt. Carmel, Israel, to plant an olive tree and to help celebrate the Jewish holiday of Tu B’shvat, also known as Jewish Arbor Day. He also dedicated a new plaque at the Village that commemorates the “deep-rooted friendship” between Israel and the United States. Yemin Orde Youth Village was severely damaged in the December 2010 wildfires in the Carmel Forest region; there were no injuries and all 500 children and staff members and their families were safely evacuated. Friends of Yemin Orde, located in Rockville, MD, just outside Washington, D.C., is the U.S. fundraising arm of Yemin Orde Youth Village and Yemin Orde Education Initiatives. For more information on the Village and Initiatives, call 202.237.0286, email info@yeminorde.org, or visit www.yeminorde.org.

As reported by The Jerusalem Post: "This is particularly meaningful to me as I still have the images of the raging fire, and the damage that it caused over a full year later, “ said Ambassador Shapiro. “ I feel blessed to have this opportunity, Erev Tu’B’shvat, to plant a tree in Israel, in Yemin Orde Youth Village, where I know that you, the children of Yemin Orde, will look after and nourish this sapling for many years to come,” Shapiro said at the ceremony.

In addition to planting the olive tree, Ambassador Shapiro dedicated a new plaque at the site that read: In recognition of the deep-rooted friendship, between our two nations, the United States of America and Israel. Tu B’Shvat , 5772."
The Ambassador was briefed about the Village by Chaim Peri, the visionary educator behind Yemin Orde Youth Village and Yemin Orde Educational Initiatives. He also met with Dr. Benny Fisher, the Village’s director, staff and students and toured the Village’s synagogue, Graduates' Home, Ethiopian Godjo (traditional hut), and high school.
