Sports Equipment and Supplies

Sports and recreation equipment such as sneakers, uniforms and balls are needed for Yemin Orde's at-risk youth to participate in a wide range of sports activities.

The Village offers a wide range of after school sports and recreational activities, which help youth learn the elements of competition, teamwork and the essence of good sportsmanship, all in a supportive environment. Activities include swimming, basketball, running, dancing and gymnastics.

Yemin Orde supplies its youth with the necessary equipment and uniforms needed to participate in team sports. Despite the demands of daily training, team members find balance between school and recreation and learn to persevere and think positive, even when confronted with difficult challenges. Sportsmanship, discipline and teamwork benefit our teens as they grow and develop into productive citizens of Israel.
