ImpactIsrael is the central financial driver in an ambitious endeavor to touch the lives of at-risk youth in Israel across all boundaries: religious and non-religious; Jews, Arabs, Druze and Bedouin; and youth of all colors and countries of origin. As the North American philanthropic partner of Yemin Orde Youth Village and Village Way Educational Initiatives, ImpactIsrael's mission is to transform immigrant and at-risk youth into productive members of Israeli society through value-driven education and support.

FROM SURVIVAL TO LEADERSHIP

There are an estimated 400,000 youth at risk in Israel. They come from broken lives, danger, poverty and insecurity. ImpactIsrael's program partners provide a quality education and support to help at-risk youth succeed and become Israel's next generation of leaders.

ImpactIsrael's bold plan of action seeks to build momentum to improve the education, health, welfare and security of Israel if we can secure the funds to sustain Yemin Orde as the flagship Village Way model, and scale up throughout Israel to reach 55,000 youth at-risk by 2026.
